

Succeeding together - fostering a love of learning, within a nurturing Christian community, to bring out 'the best in everyone'

Marsh Gibbon CE School Year 1 & 2 Curriculum Overview

At Marsh Gibbon Church of England School we operate the curriculum over a two year cycle as we believe this keeps things fresh and interesting for our children. Year group pairs therefore work more closely together on projects, trips and events, challenging the children appropriately for their ages and abilities. Topics generally run for a term but may have a change of specific focus at key points during the learning. Within each topic, core subjects and transferable skills remain a priority however they are embedded within and linked together by the topic to make learning purposeful. At Marsh Gibbon we regularly review the curriculum to reflect subjects or topical issues of interest seasonally, locally and around the world. The headings below represent the over-arching termly topics and key learning areas.

	Autumn Term	Spring Term	Summer Term
Cycle A	<p>On the Move Transport Science & History focus</p>	<p>Healthy Heroes English / Science focus</p>	<p>Habitats Science Focus</p>
Cycle B	<p>Around the World Humanities focus / Significant places in their own locality</p>	<p>Fire! Fire! Humanities focus</p>	<p>Roald Dahl – the BFG English Focus</p>

We are always looking for new and exciting ways to inspire the children and enrich our learning. If you have any particular skill, knowledge, experience, items or contacts which may be of relevance and interest to the children and their topics, please do speak to the class teachers to explore ways you could be part of our learning and, most importantly, the fun! Thank you.

'I can do everything through Him who gives me strength.' Philippians 4:13
