

**Succeeding together - 'fostering a love of learning, within a nurturing Christian community,
to bring out 'the best in everyone'**

Friday 12th September, 2025

Dear Parents, Carers and Governors,

We are absolutely thrilled to share some fantastic news with you!

Following the recent Ofsted inspection on the 15th and 16th July 2025, we have received a glowing report that truly celebrates the incredible work happening within our school community.

The inspectors praised us for our outstanding behaviour and attitudes, highlighting the joyful, nurturing environment we have created where every pupil feels safe, known, and celebrated. Our pupils are not only enthusiastic learners but also proud ambassadors of our core values of respect, honesty, and friendship.

We are particularly proud of the recognition our leadership team has received for their dedication and high standards. The report commends the strong leadership and management that has driven significant improvements across the curriculum, ensuring our children are well prepared for their next steps in education. It's a testament to the unwavering commitment and hard work of our staff and leaders, who continually strive for excellence.

The report also highlights the richness of our curriculum, the vibrant opportunities for pupil leadership and the effective personal development opportunities we provide. Our pupils' positive attitudes, exemplary behaviour, and eagerness to learn are further evidence of the nurturing environment we foster. Having begun a revised curriculum for our core subjects just last year, we are looking forward to continuing this work across the wider subject areas, as mentioned in the report.

The report is a reflection of what we can achieve together; dedicated staff, supportive governors, wonderful children and your ongoing encouragement and involvement as parents. It's a proud moment for us all, and we want to thank each of you for your continued support, trust and partnership in making Marsh Gibbon School an amazing place for our children to learn and grow.

Let's celebrate this remarkable achievement and continue to work together to make our school an even brighter, more inspiring place for every pupil!

With heartfelt gratitude and pride,

Kind regards

Mrs Brown
