

Welcome to Marsh Gibbon School.

Please find below a list of useful information/websites that will guide you through the process of what we do etc.

**Marsh Gibbon School Website:** <https://www.marshgibbon.bucks.sch.uk/>

### **Support your local school**

Three initiatives that everyone can get involved with to help the school with fundraising towards projects to help enhance our children's learning experience.

#### **1. Easyfundraising**

Join via the website or by downloading the app, and many on line retailers will donate a percentage of what you spend online without costing you a penny, so everyone is a winner! You get a regular update emailed to you showing how you're online shopping has resulted in donations to the school. Just search for Marsh Gibbon CE School as your cause.

#### **2. Library Books**

The school has set up an Amazon wish list of books desperately needed to re-invigorate the school reading material. Search for 'PTA Marsh Gibbon' under wish lists.

#### **3. Your School Lottery**

Prize winners are drawn every Saturday night, so sign up as soon as you can for a chance to win. The central jackpot is £25,000, and tickets cost £1 each of which 0.40p will go to the school, so again, everyone is a winner!

#### **ParentMail**

This is a very useful website where you can access your emails from the school, make payments for clubs, such as Breakfast, Football, Cooking and Art, as well as a whole other host of things.

### **After School Care**

We currently use S4a Sports for wraparound care which operates from 3.15pm to 6.00pm, Monday to Friday, of which there are a whole host of things they do with the children throughout the week.

### **Tapestry**

This is only available to parents whose child is in reception (Butterflies). This enables you to send and receive messages from the teacher/s, view pictures and updates of what your child has been doing. Once you are registered, you will automatically receive message prompting you that something has been posted.

### **Class Dojo**

This isn't too dissimilar to Tapestry. The main difference being that each child and the class receive a Dojo points as and when they have achieved something.
