Religion /Worldview: Theme Christianity	**Key Question: How important is it to Christians that Jesus came back to life after his Crucifixion?**	**Age:** **Year 2 SPRING 2**

This is what I am going to learn.	**Here are the words that I need to understand, use and spell**
• To know that Christians believe that Jesus was put to death on a cross and remember this event on Good Friday. • To know that Christians believe that after Jesus died, he was put into a tomb with a stone rolled across the doorway. • To know that on Easter Sunday, visitors to the tomb found it empty.	**resurrection, tomb, believe, Jesus, bible, death, died, new testament, bible, Christians, cross, Easter, crucified, sundown, Old law**

At the end of this key question learning, I will use my learnt knowledge and use it to answer the key question.

Working towards	I have a special photo box to remember my Grandad because he died last year. Christians believe Jesus came back to life and left the tomb. I think Jesus must have come back to life because the tomb was empty.
Working at the expected age	**We had a hamster that died so I buried him in the garden. I don't think he is living anywhere else now but I remember him so he is in my memory.** **Christians believe Jesus came back to life on Easter Sunday because he was powerful because he was the son of God so he got up and left the tomb.** **I think he probably did come back to life if he was God because he would be able to do that. Also, other people that knew him saw him afterwards so he must have been real, not like a ghost.**
Working at greater depth	I think there is a part of people that does carry on living, like a spirit. My grandma died a while ago but sometimes it feels like she is still keeping an eye on me so I think there must be a place where she is. Christians believe Jesus came back to life which shows them that this could happen to them too. He went up to heaven so they believe in heaven and that they can go there when they die, as long as they have a good life. I think it must be really important to believe this if you are a Christian, or else why would you try and do the things Jesus did in your life? It would make a difference to me if I really knew I was going to go to heaven. I would want to be really good to make sure I got there and saw people and animals in my family who have died.
