<p><u>Home Reading</u> <i>Read 4x per week at home. Record your reading in your reading diary and ask an adult to sign your book too.</i></p> 	<p><u>Task 1 - States of Matter</u> Can you experiment with what liquids freeze? Create a table detailing the liquid, your prediction, how long you left it in the freezer for and if it froze.</p>	<p><u>Task 3 - Light and Dark</u> Choose a colour of your choice and create a colour chart on squared paper, going from dark to light.</p> 	<p><u>Task 5- PSHE</u></p> <p>This term our whole school topic is Celebrating Difference. Can you create a poster or even a presentation celebrating all the differences of the people you know, the people in our local community, and the wider world. There is only one you, we all have our own unique qualities- why is it important that we celebrate this?</p>
<p><u>Practice your times tables on TT Rock Stars</u> Complete 25 sessions of TTRS each week. You could even do more.</p>	<p><u>Task 2 – Race to the frozen North</u> Our class reading book is about a young boy's journey to the Arctic. Can you write a list of all the things you might need if you were going to the Arctic. You need to be able to fit all of the things on your list into a large backpack.</p>	<p><u>Task 4 – Animals in the Arctic</u> Can you create a fact file about an animal that lives in the Arctic? It needs to include information about the animals habitat, diet, adaptations to their environment and 5 fun facts. You can create your fact file on a powerpoint or on paper.</p>	<p><u>Task 6 – Advent time</u></p> <p>Create an advent calendar for someone you know. For each day, set the person a task where they have to do a good deed, a random act of kindness or spread some joy – use our school values as inspiration!</p>
