Year 5

In accordance with other upper KS2 procedures across Bucks we will be allowing our Y5 children to make their own way from the classroom to the playground at the end of the school day. As usual, a staff member will still be available should you wish to speak to someone. Please discuss this with your child and let them know where you will meet them and what they should do if you are not there. We suggest that if that happens they are told to return to the classroom or go to a member of staff. Please sign the slip attached to acknowledge that you are aware of this. If you have any concerns about this then please speak to myself or Mrs Logan.

Phonics results

I wish to share with you the excellent phonics results which our Y1 children achieved last year. The percentage of children 'working at the expected level' has risen year on year since the 'Phonics Check' was introduced. Last year 81% of our children compared to 69% nationally achieved this level. Well done to the staff who worked with the Owl class last year and especially our wonderful children.

Parking Outside School

Yesterday I received a complaint about a small black car that keeps blocking a neighbour's drive. Please park safely and with consideration for our neighbours.

Quotes of the Week

Whilst in the Eagle class, talking to children about their work earlier this week, Harley commented that this was “the best History lesson ever!” I asked Oliver if he thought the work was too easy or too hard he replied that it was “perfect actually”. We aim to please!

Lost Property

Our lost property box is again overflowing and contains a selection of clothes, bags and toys! Please claim your belongings before the end of this half term. Any items remaining at half term will be placed in the Rag Bag collection.

School Kitchen Position

Please find attached information from Fresh Start regarding a vacancy for a Kitchen Assistant at the school.
